

src/CollectionIterator.hpp

```
graph TD; A[src/CollectionIterator.hpp] --> B[type_traits]; A --> C[iterator]; A --> D[memory];
```

The diagram illustrates the dependencies of the file `src/CollectionIterator.hpp`. It is represented by a grey rectangular box at the top. Three blue arrows originate from the bottom of this box and point downwards to three separate white rectangular boxes arranged horizontally below it. These boxes are labeled `type_traits`, `iterator`, and `memory` from left to right, indicating that `src/CollectionIterator.hpp` depends on these three components.

type_traits

iterator

memory
